

As always this was an impossible decision. Characterization, schedules, and how actors paired up with each other played a big part. MANY of you can sing very well and I plan on finding a way to get your voices in the show. Some of the songs in the show require additional singers that I will cast as we go along. Also, we will all serve in crew to some capacity in addition to those listed. The list below is for speaking roles extras and crew heads only.

OUR FIRST REHEARSAL IS MONDAY, FEBRUARY 29, IN ROOM A-104 at 4:15

Thank you for your time, talent and patience. Y'all are all awesome and It is a privilege to be your director!
